

Bluff Villas Regime #55, HPR

Water Heater Replacement Program

1. \$100.00 paid by Bluff Villas Regime #55, HPR to replace heaters 5 years old or older.
2. The Board of Directors suggests owners also take advantage of the \$250 Palmetto Electric Rebate program at the same time. These two rebates could add up to \$350.00 toward replacement of hot water heater.
3. Owners who provide a copy of bill from a certified plumber for installation of a new water heater, along with a copy of documentation proving purchase of new water heater, receive \$100.00 check drawn on regime funds.
4. This program is designed as an incentive for owners to replace water heaters before they fail.
5. This rebate program DOES NOT APPLY if the current water heater is replaced due to failure, causing damage to your condo or other Bluff Villas condos in the building.
