*Dear fellow Hamilton Owners,*

*Hello! I hope this e-mail finds you well. During our annual meeting it was made clear that we need to take steps to improve communication within our community. Many thanks to Maryann Brophy, who took it upon herself to gather as many e-mail addresses as possible to help begin this process. This e-mail is our first step to open the lines of communication.*

***Here are some of the items that we've been working on since the meeting:***

*The IMC/Hamilton website has been updated to include commonly requested information such as:*

- 1. Waste collection schedule*
- 2. Window repair/replacement parts*
- 3. Deck blueprints*
- 4. Paint codes/colors for all units*
- 5. More to come...*

*The link to the website is:*

<http://www.imcresortservices.com/properties/hamilton.html>

*As new information is posted to the site we'll try to notify you via e-mail as quickly as possible.*

*We've created a Facebook page (still in it's infancy). The page is listed as "Hamilton at Shipyard". Any suggestions on how we can best utilize this resource would be most appreciated.*

*So that's a start. We'll try to keep you up to date as much as possible. If you know of an owner who we missed that would like to receive these updates, have them send an e-mail to the above address. Please reply with any questions or comments.*

*Regards,*

*Hamilton Board*
